

**FEBRUARY 18-21, 2016**

## **REGION ABJ 2016 CONFERENCE**

Join us as we **EXPLORE** what the world of engineering has to offer, **ENGAGE** women of all ages and backgrounds, and **EMPOWER** each other to take on new challenges and seek out our passions.

Featured activities include a career fair representing the corporate, government and academic sectors, meals with keynote speakers, concurrent sessions highlighting cutting edge technical projects and/or professional skills areas, a collegiate poster competition, and local tours of interest.
