10 YEARS of AIAA-PNW Technical Symposium!

A large graphic illustration occupies the upper half of the page. It features a solid blue background. In the foreground, there is a black silhouette of a city skyline. The skyline includes a prominent tower with a circular observation deck, several rectangular skyscrapers of varying heights, and a large mountain peak on the left. A white full moon is positioned in the upper left quadrant of the blue sky. In the upper right, a black silhouette of an airplane is shown in flight, angled upwards and to the right.

CONQUER THE SKIES

ATTEND THE 2016 AIAA-PNW TECH SYMPOSIUM!

Saturday, November 19, 2016 @ The Future of Flight

Where else can you meet, mingle and learn from astronauts, venture capitalists, entrepreneurs and other really awesome aerospace enthusiasts like YOU who live and work right here in the Pacific Northwest?

For all the details and to register, visit <http://www.pnwaiaa.org>

Why are we here?

- This year is our **10 YEAR ANNIVERSARY** for the technical symposium!
 - We want to celebrate!
 - We want inspire more people!
- Ask your support for our annual technical symposium on November 19th, 2016:
 - Connect with potential speakers
 - Advertise the event -> reach out to a larger community of aerospace professionals / enthusiasts
 - Connect with potential sponsors

Feedback from Previous Editions

It's a great place to learn and network

I'm looking forward to the next one

Wide variety of topics

Remarkable variety of topics
spanning huge range of
technologies

The mentor sessions were valuable

Subjects were interesting and inspiring
